Synopsis:

Readers will find in this book suggestions of outfits both for boys and girls, classic, elegant and with sober colours. Knitters can choose to realize either a complete outfit or just a single accessory.

In total, 30 creations for babies from birth to 12 month-old are available. The threads used are especially made for toddlers, so they live in a comfortable world!

More than 10 different techniques are used, in order to propose creations both for beginners and confirmed knitters.
