Art &
Decoration

Synopsis:

Colours are the keys to a successful decoration. They are a room's atmosphere, give it a style, reflect its peacefulness or its energy. Colours have a real impact on our mind spirit and are very important to feel well at home.

But choosing colours can appear to be quite difficult. What are the good associations? What are the tips to give more volume or more brightness to a room? How colours can correct the problems? How to select the type of painting? The numerous examples available in this book will help the readers to do a choice adapted to their home and to what they really want. A real source of inspiration.

Content:

Colours and their meanings. How to use a colour wheel?

The atmospheres: relaxing, natural, daring, lively, exotic, warm, sophisticated, pure, etc.
