

# Optimizing Space

March 2018

## Synopsis:

Winning space, organizing a small apartment, reorganizing a room, creating new storage spaces, making use of a nook: today there are many ingenious solutions possible not to lose any square meter anymore.

Multi-function spaces, mezzanines, stairs, furniture, personalized storages: simple and convenient ideas to install without needing to sacrifice decoration.

## Content:

Kitchen, living room, bedrooms, bathrooms, offices, dressing rooms, entrances, corridors.

## The Author:

**Sophie Giagnoni** is a journalist specialized in magazines for women. She works for Elle, Art & Decoration and Maison & Travaux. In this collection, she is also the author of *Bedrooms and Suites*, and *Chic Apartments*.
