

# I Learn to Sew Bags 2

*20 different bags to do, with step by step explanations*

May 2017

## Synopsis:

Following the success of the first *I Learn to Sew Bags* title, the authors – Estelle Zanatta and Marion Grandamme – have decided to propose to readers and seamstresses a second title, full of new creations!

This time they offer a visit throughout fashion History to readers, with bags inspired by different historical periods: 20s-30s, 40s, 50s, 60s, 70s, 80s, and... 2017!

Just like in the first title, the book contains detailed step by step explanations, and photos for the more difficult steps.

## The Authors:

**Estelle Zanatta** and **Marion Grandamme** are the authors of the first *I Learn to Sew Bags*, published in 2016. They are stylists and designers, and together they created their own company, CO MODE, specialized in clothes and accessories creation. They work for many luxury French brands. Their office is based near Paris.
