

Paris Military Heritage

October 2018

Synopsis:

The history of Paris is inseparable with the military achievements the city witnessed or was the main actor of.

From XIII Century to nowadays, reconstitute with this book the history of Paris military heritage thanks to the main places of defence, the historical monuments, the remembrance places, museums, barracks, etc.

The book focuses on Paris, but a few monuments in the close suburbs are also mentioned.

The Author:

Colonel **Henri Ortholan** of the Engineers, studied at Saint Cyr school and is now retired. He has a PhD in History and is a former custodian of the Army museum. He is the author of numerous books and articles on military history.
