

# Sewing Jersey and Sweaters

Author: Lydie Lardoux

**Jersey is unavoidable to do good basics, but knowledge and technics are necessary to use it correctly.**

## Synopsis:

This book was imagined for all the seamstresses who want to start doing clothes in jersey, this particularly stretchy material. Each pattern is explained very precisely thanks to schemas and real size patterns. To start or to become confirmed, readers will find throughout the book 15 lessons with step by step photos.

## Content:

- Around 20 creations: t-shirts, dresses, skirts, shorts, pajamas, sweaters, etc.
- Real size patterns.
- From size 36 to 44.

**This book is made in partnership with Mondial Tissus and Singer in France but can be adapted if these brands are not available in your country.**

## The Author:

**Lydie Lardoux** lives near Paris. Craftswoman, passionate seamstress and with a degree in clothes confection, she specialized in plus sized clothes. In 2012, she created her own company: La Féily. She also gives sewing lessons.
