

+ 4 season's pies

Tartes et tourtes des quatre saisons

February 2014

Cookery

■ Synopsis

One way or another, whether we buy or make them, we eat pies by the millions. Each pie has a story to tell, a history of provenance, pie-makers, innovation and experimentation. *Pie* shows you how to **master the art of pastry making** and how to transform even the most frugal filling into a luxurious meal. Simple to make and impressive to serve, pies can be enjoyed in an infinite variety of styles, from the portable Cornish pasty to the comforting and hearty steak and kidney pie or the delicious and more exotic calzone.

■ Characteristics :

- Release : 2014-02-21
- 192 pages
- 195x240mm
- Hardbound
- ISBN : 978-2-84831-640-6
