## ■ Synopsis

Exquisite Embellishments for Paper Crafts focuses primarily on card making but also includes ideas that can be used for scrapbook layout, gift giving or home decor. Those who started out scrapping have fallen in love with smaller-scale projects like cards and have delved into creating delightful home decor items and gifts to giving. Exquisite Embellishments for Paper Crafts is the all new "go-to guide" for all paper crafters, novice and seasoned designer alike. Rather than just tying a simple bow and calling their project complete, they would take the design a step farther and embellish the bow using a handmade button, an altered brad or a handmade die-cut blossom to create a truly unique piece of art.

- Characteristics :
  - Release : 2014-05-26
  - Retail Price : 15,90 EUR
  - 128 pages
  - 195x225mm
