*Sacs en cuir*

Sewing

May 2014

## ■ Synopsis

This book encourages machine-sewers to express creativity by making fashion accessories. It teaches just the basics needed, and the instructions for each project help readers apply and master each skill, so that new sewers build confidence as they go along. The projects featured range from cosmetic bags, embroidered jeans, and a stylish two-tiered skirt. You will even find a chapter on 'changing' your old clothes into a spectacular something new! " This concise reference book is also handy tools to help advanced sewers solve problems or make decisions at the machine.

## ■ Author

Isabelle Leloup works since more than 20 years in the performing arts, including Opera de Paris and the French showbiz within a larger workshops in France, Artefact. She has several talents and her creativity is also expressed in painting, sewing and embroidery she practiced since childhood.
