Knitting for beginners

Knitting series

Marie Claire work shifts offer reference books and trendy pattern books. Fashion, accessories, decoration, toys, baby clothes... Knitting's world is completely treated with up-to-date creations.

The book

Some thread, two needles... and you will be able to get started! Ideal for beginners: 10 easiest stitches and 20 trendy patterns to knit without stress.

At every stage of your learning, a new model is proposed to immediately put your skills into practice.
