## ■ Synopsis:

Whatever the size of the home, everybody is one day faced to a problem of cupboards organization! Living in a small apartment or in a big house, the aim is to take advantage and use even the smallest of space. Thanks to this pocket book, readers will find tips and ingenious solutions to store everything, and original decoration ideas! Innovative arrangements that will give more personality to your interiors.

## ■ What is there to learn?

Learn how to organise your living space following what you need and want to keep close, and what you can store, in order to create useful and intelligent storages.

## ■ The Author:

Karine Villame is a leading author at Massin publishing and particularly for the collection « Art & Decoration ». She recently signed in the same collection *Ranger – Gain de place / Storage* (2014).
