❑ Synopsis:

Each week and throughout the seasons this DIY calendar presents creations adapted to the instant, with the idea to do everything on your own and naturally. Embroidery, craft, sewing, painting..., let yourself enter this creative title with its detailed explanations.

❑ What is proposed each week?

An original project, nicely illustrated and composed of creations easy to do thanks to the step by step instructions.

❑ The Author:

This book is a compilation of ideas published by the creative journalists of Marie Claire Idées magazine, a reference in DIY in France.
