❑ Synopsis:

Thanks to this title, take care of your garden throughout the year, in a natural way, taking into account the moon. Day after day, this book will be a perfect guide for you in the garden. Full of advice and tips, it will help you have a beautiful garden during the whole year! Sow and plant following the lunar cycles, try new plants, learn the good reflexes, and enjoy the recipes made with products from the garden.

❑ What is there to learn each week?

One saying, a plant to discover, a recipe, a tip, or a reflex to have, different each week.

❑ The Author:

Sandra Lefrançois is passionate about plants and nature. She is the co-author of the 2015 calendar with Philippe Bonduel. He is in love with nature, chief redactor of « 100 idées jardin » and co-author of *Garden Scenes* (Massin), one of the most successful titles in the « 1000 ideas » series.
