❑ Synopsis:

Having a sparkling house at a small price is now possible! This title will help you have the best results thanks to the good tools. Most of the products used in this book are ecological, biodegradable and non-toxic. They are convenient and cheap, and can be easily found in hardware shops or DIY shops.

❑ What is there to learn?

Essential products (soft soap, bicarbonate), eating products (lemon, potatoes...), unexpected products (corks, tooth path...), and forgotten products (methylated spirits, ammonia...) to have a sparkling house from basement to attic.

Learn how to prepare your material, and also, the fundamental rules.

❑ The Author:

Isabelle Louet is the author of two titles at Editions Massin in the collection "1000 Ideas": "A Feng-Shui House" (2014) and "Preventing Domestic Accidents" (2013).
