- ISBN : 978-2-70720-928-3

❑ Synopsis:

Worn out carpet, dirty silverware, darkened furniture, old sofa... thanks to a few simple gestures, give a new shiny aspect to all your interior without using chemical products. Discover advises and tricks to maintain each room in the house, to have the ideal cupboard and to know good habits to remember.

❑ What is there to learn?

- How to give a new shiny aspect to all the furniture in the house.
- Beauty recipes for all the materials: wood, glass, metal, Plexiglas, plastic, leather, etc.
- Advises to maintain the garden (stores, paving,...)

❑ The Author:

Sylvie Fabre is a journalist working for Maxi, Fémina Hebdo, DS Magazine and Julie in France. She also works for France 2 on television. She is a real specialist of feminine press and spent more than 15 years looking for the best « tips » to make cleaning easier! Today, she teaches her knowledge and writes books (Sybex, First).
