

# + Country-Style Knitting

September 2015

## □ Synopsis:

In the wood, in the meadows, at the mountain... country style is everywhere !

This title presents around 20 models of pullovers, cardigans, jackets and accessories for men and women.

Six models for women, three models for men, eleven accessories. Several sizes are available each time.

Each model can be realized following three different levels of difficulty: easy, very easy and advanced.
