❑ Synopsis:

Helping you create your own gift-wrappings mixing creativity and reuse, this is the aim of Ghylenn Descamps with this title!

From boxes to gift-wrapping, going through envelopes and bags, you will do much more than mere wrapping... It will be almost as beautiful as the present inside!

❑ Content:

Numerous ideas: an origami box with compartments, a candy box, gift-wrappings, pop-up presents, surprise package, etc.

❑ The Author:

Ghylenn Descamps is already the author of two titles in the craft field at Marie Claire Books: *Origami* (2012), and *Birthday Parties* (2014).

She graduated from a graphic Arts school in Paris, and works with several French publishing houses. She also collaborates to the magazine Marie Claire Idées. On her blog, you can have a look to her most recent creations: <http://ghylenn-descamps.hautetfort.com>
