

# Hand-Turn

January 2015

## ■ Synopsis:

The aim of this book is to teach clearly the 300 good moves, with or without tool, to take care of plants and of the garden in general. In order to be clearer, each explanation is accompanied with watercolour drawings. For each of the four seasons, readers will find tips to take care of the garden. Advice for all levels are given in this book: from repotting of a plant to taking good care of your lawn without using a mower!

A very useful title for beginners and confirmed gardeners.

## ■ The Author:

**Philippe Bonduel** is in love with nature. He used to be the chief redactor of the magazine « 100 idées jardin » and is the co-author of *Garden Scenes* (Massin), one of the most successful titles in the « 1000 ideas » series. He is also the author of the *Gardening Calendar 2016*, *Decorative Vegetable Garden* and *Fruits from the Garden*, also in the « 1000 ideas » collection.
