

# « Made in Marseille » Soap

April 2016

## Synopsis:

Following the success of the title « Soft Soap », you will find in this title all the secrets and tips of Marseille soap, used to clean your house. This product is reappearing in shops after several decades of absence. This soap has many advantages, such as its low price, its ecological aspects and its fabrication 100% French.

This book was made in partnership with Marius Fabre.

The traditional and familial soap factory Marius Fabre is specialised in Marseille soap since 1900. The secret of fabrication, passed from generation to generation, guarantees a product 100% natural, healthy for men and respectful of their environment.
