

Essential Oils

August 2016

Synopsis:

Benefits of the essential oils are now proved, but do you really know how to use them correctly? There are so many that sometimes we do not know which way to turn!

Thanks to this book, discover which essential oils to use for your house and cleaning in general. Learn also which oils can protect your health, and which ones are going to accompany you from morning to night without danger.

Essential oils can be useful for beauty, health, the house and even for cooking, so they will soon become essential in your everyday life.

The Author:

Isabelle Louet is the author of two titles at Editions Massin in the collection "1000 Ideas": "A Feng-Shui House" (2014) and "Preventing Domestic Accidents" (2013). She is also one of the two authors working on the "Taking Care of your House Naturally" series, which now has eight titles.
