

Sewing with Pieces of Fabrics

September 2016

Synopsis:

Give a new life to all your fabric leftovers! Do not let them stay indefinitely in your drawers. Thanks to recycling, create unique accessories.

Thanks to many different technics (patchwork, sticking, weaving, assembling, etc.), create elements that will enlighten your house, your decoration but also your clothes!

What is inside: Cushions, plaids, potholders, skirts, a bag, necklace, hair slides, etc. ... Many ideas to help you give a second life to pieces of fabrics!

The Author:

Lise Meunier is the author of many books on craft. With Marie Claire Books she is the author of *Customisation couture* (2015). She regularly works for Marie Claire Idées magazine, specialized in DIY.
