

# White Vinegar

August 2016

## Synopsis:

White Vinegar is a miraculous product for your everyday life. Natural and cheap, it makes cleaning easier and can be useful in many other fields.

No need for toxic products or many beauty products, white vinegar alone is your main ally in your daily life.

Disinfectant, anti-limescale for the house, it allows you to clean perfectly taps and tableware, remove efficiently the stains and bad smells, but it can also be useful for your hair, making them shiny and soft!

## The Author:

**Sylvie Fabre** is a journalist working for Maxi, Fémina Hebdo, DS Magazine and Julie in France. She also works for France 2 on television. She is a real specialist of feminine press and spent more than 15 years looking for the best « tips » to make cleaning easier! Today, she teaches her knowledge and writes books (*Sybex*, *First*).
