

# Atmospheres and Use of Colours

March 2017

## Synopsis:

Discover in this book numerous original ideas, easy to realise, to harmonise colours in each room in your house or apartment.

Make your walls over with bright colours or dark tints and create beautiful associations by knowing the secrets of harmonisation.

Thanks to this inspirational book, you will dare using new colours to decorate your place! Inside, many photos of real places will be source of inspirations.

Follow the tips and advises of Karine and Nathalie, the two “deco experts”, to select the colours that will suit your home perfectly.

## The Authors:
