

# DIY Activities for Kids

*30 creative and funny ideas for days without school!*

*May 2017*

## Synopsis:

Here is a useful book to keep children busy on the days they are not going to school. It is ideal for parents with a lack of inspiration.

Thanks to very simple materials that you probably already have at home, children will be able to create numerous projects. Paper, cardboard, ice cream sticks,... : recycle everything thanks to this new title!

In it you will find ideas to create objects, invent characters, games, decorate cakes in an original way, etc. 30 different creations are available!

With clear step by step explanations, children from 6 year-old will be able to do funny creations, with or without the help of their parents.

## The Author:

**Juliette Lalbally** works as a stylist and an author for several years. She has always been passionate by everything that is « home-made ». She loves decoration, cooking, and has always been interested in children's universe. She loves to create things that will please children and keep them busy. She organizes every week DIY workshops for kids. Since 2016, she offers online activities for children to different brands: games, small decorations, cookies and cakes, etc.
