

# Cosy and Zen Houses

September 2018

## Synopsis:

Houses of today have to be convivial and to allow relaxation. Open spaces, natural materials, new arrangements, allow to create a unique universe in which people feel comfortable and at ease.

In order to work, to relax, to receive people, to be in family, each space deserves to be studied considering colours, furniture, lights and textiles, in order for decoration to be in agreement with owner's personality.

## Content:

- Room by room: hall, kitchens, living-rooms, bedrooms, balconies.
- Tools: Materials, colours, textiles, furniture, etc.

## The Author:

**Sophie Giagnoni** lives in Paris and is a journalist as well as an author. She works with many magazines and websites focused on decoration.
