

My First Pop-up Cards

Technics and creations to start or to improve your skills.

October 2018

Synopsis:

This book is made for people who wants to start in the Art of pop-up. Cutting, bending, construction, volume: basic technics are explained in a clear and detailed way at the beginning of the book. Creations are then classified by level: My first objects, I improve my level, My little challenges.

The book contains no less than 20 creations to offer (or to keep for yourself).

The Author:

Ghylenn Descamps lives in Nantes. She is an artist, and wrote around 30 titles on different fields of craft. She regularly works with magazine Marie Claire Idées (specialized in DIY). What she prefers is working with paper, but she is also passionate about writing, and about everything that is linked to creativity.
