

# Paris Seen by Painters

October 2016

## Synopsis:

Raguenet, Pissarro, Van Gogh, Canella, Dagnan, Limbourg, Renoir, Caillebotte, Monet, Ziem, Cortès, Sisley, Grandjean, Utrillo... Discover Paris thanks to the painters that contributed to its legend!

In each of the 20 areas of Paris, discover places and painters that marked Paris history, thanks to famous paintings or sometimes less famous ones. Admire for example the *Place de Clichy* by Edmond Granjean (1896) or the *Paris Flower Market* by Luigi Loir (1900).

Each chapter corresponds to one of Paris areas, and each time one or several paintings are presented, corresponding to an important monument or place in this specific area.
