

Punch Needle

25 creations to do accessories and decorations

February 2019

Synopsis:

« Punch needle », also called embroidery in relief, is back. In between weaving and embroidery, but much faster and easier to do, this technic is the new DIY trend.

A magic needle, embroidery thread and a frame are enough to start. All the basic notions are explained in the introduction of the book, and are followed by 25 original and colourful creations explained step by step.

Content:

- A trendy technic ideal for beginners.
- 25 colourful creations, all very different.
- Both decorations and accessories.

The Author:
