

Up-cycling in the Garden

April 2018

Synopsis:

Using old objects, used material or very cheap one, you will learn to up-cycle them to create new objects and small piece of furniture to embellish your garden, your balcony or your terrace.

The authors will guide you by a detailed illustrated step-by-step. You will then be able to make your own sofa, coffee table, lamp but also furniture for the garden such as pots or nest.

Very easily and with cheap material, you will be able to give a fresh look to your garden.
