

DIY and Furniture for Plants

22 DIY creations

April 2019

Synopsis:

Plants will conquer our decoration thanks to the 22 creations presented in this book. Hanged, on the wall, in flowerpots... readers will find many possibilities. They will just have to follow the step by step photos and explanations to do their own pieces of furniture, pots and accessories dedicated entirely to plants.

Content:

- Suspensions
- Brackets and Shelves
- Wall Brackets
- Flowerpots
- Terrariums
- All sorts of pots

The author:

Vincent Layerle (London) is passionate about decoration and design. He is the author of the blog « Shake my Blog » for several years. He is a reference in the decoration and DIY world. He is the author of the book *DIY Lights* published in 2018 with Massin.
