

Taking Care of your Hair

April 2019

Health /
Well-Being

Synopsis:

Smoothness, brightness, softness, volume, colour,... What are the secrets to have beautiful hair?

You have to take care of them on a daily bases: washing, drying, brushing, hair-colouring, etc... You also have to regularly treat them with cares that will enhance them.

For each type of hair readers will find numerous natural recipes, tips and advises. All the question you ever had on your hair will receive an answer: how to hydrate dry hair, how to give volume to thin hair, how to give a new structure to a haircut, etc.

The Author:

Céline Mollet lives in Paris and is a journalist specialized in beauty. She is the author of *Natural Hair Colouring* and *Natural Beauty* published with Marie Claire Books.
