

Sewing Machine Workshop for Children and Teenagers

35 creations from 7 years old

Authors: Coralie Bijasson, Karine Thiboult-Demessence

The perfect guide for young seamstresses!

Synopsis:

Cloud-like, star-like or cactus-like cushions, pencil cases, tablet cover, tote bags, bags, girly skirts, trendy tops, etc. Young and creative girls will be able to sew their own creations thanks to the sewing machine, and will be sensational!

This book is for children from 7 year-old. Each of the creation has simple instructions and step by step explanations and diagrams.

Content:

- My clothes and accessories.
- My decorations and storages.

This book is made in partnership with Singer in France, but can be adapted.

The Authors:

Coralie Bijasson is a professional seamstress. She created the brand « C'est moi le patron ». She organizes sewing lessons for adults and for children. She is the author of *Baby Gifts to Sew* (2017) and *Sewing Women Clothes for the 4 Seasons* (2018).

Karine Thiboult-Demessence graduated from Rennes School of Fine Arts. Then, she integrated a design school in Paris, before becoming a journalist specialised in decoration and fashion. She is the author of *I Learn to Sew for Decoration* (2016) and *Comfort Toys and Dolls to Sew* (2019).
