

Colours in Decoration

Choice, colour pallets, associations, inspirations

Author: Anne-Sophie Puget

The indispensable book to chose the right colours without mistakes!

How many colours can be associated in a room? How to use them to correct a defect? To enlarge or reduce a room? To bring light or warm a space? What are the colours to favour for each room in the house?

The beautiful insides photographed by Marie Claire Maison magazine are a source of inspiration, of different styles: contemporary, design, chic, industrial, bohemian, tropical, refined, Scandinavian, Japanese, etc.

Content: Under the sun (yellow, orange, red) – Blush hit (pink, mauve, purple) – Between sky and sea (all the different shades of blue) – Moonlight (black and grey) – Chic naturally (beige, green) – Technicolor.

The Author:

Anne-Sophie Puget (Paris), is a journalist specialised in decoration. She is the author of several books already and she regularly works with Marie Claire Maison.
